Octo Mechanical

Thank you so much for your donation to the TRASH for Kids Roping School.

I learned so much from so many Great teachers and mentors that I cannot wait for next year!

Without your support to make this event happen my summer would have been so dull. I now have a new passion for Roping and can't thank you enough for your support.

Thanks A Million

August 2015

Thank you so much for sponsoring the TRASH 2015 Roping for Kids. I learned a lot from the instructors and got to practice my heading. I would not have had this opportunity if it wasn't for you. Here is a picture of me heading on my horse Radar.

Sincerely,

Walker
